Daily Routine

At Abundant Wonder, routine is more important than strict schedules. We strive to fit each of the activities into each day. The length of time spent on any one task is dependent on children's interest. Meal times are the only truly scheduled activities.

Weekly Routine

Our weekly routine is a general idea of what our weeks look like. Outings usually take place in the mornings between 9:00-12:00, taking place of Circle Time through Outdoor Play. We do our best to have at least a short Circle Time on days we have outings scheduled. We also plan monthly Field Trips to support our theme. Summer routine is different to also include splash pad/water play and other summer specific activities.

Mondays	Literacy/Writing Activity
Tuesdays	Music Class (per semester)/Sensory Activity
Wednesdays	Science Activity
Thursdays	Math Activity
Fridays	Art/Sensory Activity
